

When the Baby Needs a Laxative---

No one knows better than the ever-watchful mother—the natural doctor of the family in all the small ills—that when the baby is out of sorts it is usually due to indigestion or constipation.

It is always well, in any of its illnesses, to look for this cause. The diet may have to be changed, but before good can result from it, the bowels must be moved.

The mother has the choice of many medicines—cathartics, purgatives, bitter-waters, pills, physics, etc. But the little body doesn't need such harsh remedies for they wrench the system and do only temporary good, so often followed by an unpleasant reaction.

A better plan is to employ a mild, gentle laxative of which only a little is required. There is a combination of simple laxative herbs with pepsin sold by druggists under the name of Dr. Caldwell's Syrup Pepsin that thousands of mothers have used successfully for baby's constipation and its accompanying ills, such as belching, wind colic, restlessness, sleeplessness, etc.

The nursing mother will also find it ideal for herself, and it is especially important that she be free from constipation.

Syrup Pepsin is guaranteed to do as promised or the druggist will refund the money. Thousands of cautious families have it in the house, secure against the little ills.

Dr. Caldwell's SYRUP PEPSIN The Perfect Laxative

NO INCREASE

In spite of enormous increased laboratory costs due to the war the manufacturers of Dr. Caldwell's Syrup Pepsin are sacrificing their profits and absorbing the war taxes so that this family laxative may remain at the pre-war price of 50c and \$1 a large bottle. So sold by druggists for 26 years.

FREE SAMPLES

Dr. Caldwell's Syrup Pepsin is the largest selling liquid laxative in America. If you have never used it and would like to sample it before buying, send your address for a free trial bottle to Dr. W. B. Caldwell, 460 Washington St., Monticello, Ill. If you have babies in the family send for a copy of "The Care of the Baby."

AMUSEMENT NOTES

Comedy Situations Abound in "The Marriage Question," Wed., April 17.

Millions of young men and women are pondering over the question—"Is love necessary to a happy marriage?"—while millions of others have rushed into wedlock, while under the influence of a temporary attack of "calf love," only to regret afterward when it is too late. Still other millions are feeling the first call of nature towards the opposite sex, and "The Marriage Question," wonderfully true to life, will be a great help to those

Some people are young at 60—red cheeked, ruddy and vigorous. Others are old at 40—joints beginning to stiffen up a bit; step beginning to lag and lose its springiness; occasional twinges of pain in the back, feet tired without cause, and possibly a twinge of rheumatic pain.

In most cases these are the danger signals to warn you that the kidneys are not promptly doing their work of throwing off the poisons that are always forming in the body. To neglect these natural warnings is a crime against yourself. If you have these symptoms you can find prompt relief in GOLD MEDAL Haarlem Oil Capsules. For more than 200 years this has been the recognized remedy for kidney and bladder ailments.

GOLD MEDAL Haarlem Oil Capsules are imported direct from the laboratories at Haarlem, Holland. Get them at your druggist's. Do not take a substitute. In boxes, three sizes.—Adv.
